## ABOUT ME

Hello Mr.Mrs. I am fresh graduated from information system in Mercu Buana University. UI/UX Designer interest, i have completed 3 months ui/ux bootcamp education and are interested to learn more, and of course Graphic Designer, specializing in vector art, poster, etc. Familiar with adobe photoshop, adobe illustrator, corel draw, microsoft office certainly, and currently studying front end programming. Work as part time freelancer during college. Used to getting work from friends and people around. Can work as team or solo. but still have a lot of flaws and still need a lot to learn again and again. I hope to contribute and learn a lot from your company, Thanks.
